Positions:

- **Assembly & Installation Technicians**
- **Plant Leader**
- **Sales and Service Advisor**
- **Industrial Textile Tarp Makers**
- **Shipping/Receiving**
- **Logistics/Inventory and Office Coordinators**

Cadiz, a small town, located on miles of open water, surrounded by the great outdoors, with all kinds of nature activities on Land Between the Lakes or on beautiful Lake Barkley and Kentucky Lake, while still being close enough to “Music City” (Nashville) to satisfy all the big city appetites, like music, shows, sports, shopping, dining, etc.

Who is Load Covering Solutions? We are a 43 year old business, that just decided to open a new operation in Cadiz, KY because we fell in love with the place, people and life style it offered. We are known as a family based business, that treats our employees as family members. We expect loyalty, commitment, hard work, and dedication while striving for flexibility for our employees and providing a livable wage and a good work/life balance.

What do we do? We build innovative tarping systems for the transportation business for all flat deck and open top trailers. We have a design team that works on innovations for the US military, SpaceEX, NASA, Blue Origin, while solving the every day customer’s load covering challenges. We cover Rock Crawlers like Dennis Anderson’s King Sling, Navy Barges and everything in between. We are a job shop that needs knowledgeable problem solvers and experienced, mechanically minded workers to deliver solutions that work and quality that meets or exceeds the customer’s expectations.

If this sounds like you and a life you dream about, apply today. We are interviewing in August/ September and open in October! Email resume to info@loadcovering.com.
